

# Accessibility

*Last Updated: April 26, 2026*

Flare Bed Bug Specialists is committed to making our website and services accessible to everyone, including people with disabilities.

## Our Website

We designed our website to be simple and easy to use. We use high contrast colors and a clean layout to make information easy to find and read.

We are always looking for ways to improve. If you experience any difficulty accessing our website or have suggestions for improvement, please let us know.

## Booking Assistance

If you have trouble using our online booking system for any reason, we are happy to help. Just give us a call or send a text and we can walk you through the entire booking process or set up your appointment for you.

## During Your Service

We want every customer to have a smooth experience. We can communicate via text, email, or in person based on your preference. Our owner knows limited ASL and can communicate with deaf or hard of hearing customers, understanding the unique needs of the deaf community.

If you use a wheelchair, mobility aid, or other accessibility equipment that cannot be left inside during treatment, we will steam and vacuum it at no extra charge as part of our vehicle and belongings service.

If you have specific needs or concerns about your appointment, reach out ahead of time and we will do our best to accommodate you.
